## **Impress Directors and increase your chance of getting hired with a professional showpiece.**

### **What is it?**

A professionally produced showpiece using a skilled director, director of photography, sound recorder, makeup artist and editor all focusing on you. The service can be used to highlight your unique skills as an actor or model or both on your showreel, YouTube, Facebook page or your website.

You will receive a DVD of the showpiece as well as a CD containing an HD file and Uploadable Mpeg File. These files can be used for creating a showreel (along with your other showpieces) as well as for posting on social media including Facebook.

### **Why should I get it?**

The Showpiece will bring your actor and/or model profile to life. You can also use the Showpiece for auditions or screen tests for a specific role.

### **How does it work?**

Acting showpiece:

You will select your own script for a scene you would like to act out. The script must fit within Blacmac Productions' time and cast specifications. It may be a scene that you would like to shoot as an audition for a particular part, or a scene that you believe highlights your acting skills in general.

You will be given at least three weeks' notice of the film shoot in order to rehearse and prepare for your scene. You will then arrive at the studio and be given a two hour session with a professional director, producer, director of photography, make-up artist and sound recorder.

Once filming has wrapped your scene will be edited by our postproduction team. You will then receive a DVD and CD of your work.

Model showpiece:

You will arrive at the studio and be given a two hour session with a professional director, producer, make-up artist and director of photography. Once filming has wrapped your piece will be edited by our

postproduction team who will edit the piece and add a music backing track. You will then receive a DVD and CD of your work.

### **Where is the scene shot?**

The film will be shot at a studio in Annerley or Tingalapa, Brisbane. We will contact you to arrange a time and date and to give you a map of how to get to the studio.

### **How much will it cost?**

Production of showpiece for one actor or model

\$1400.00. This is the cost per two hour session including post-production and copy of DVD and CD.

Production of showpiece for two actors or models

\$700.00 per person. This is the cost per person where the two actors or models share a scene and receive a copy each of the same DVD and CD.

### **What is included in the price?**

A two hour session with a professional team consisting of director, producer, director of photography, sound recordist and make-up artist. Professional editing and presentation of a DVD of your scene. You will also be given a CD with a YouTube uploadable file and HD File. *Tip: You can take the HD file of your edited scene/model shoot and have it edited together with your other work as part of a larger showreel.*

### **Me and my fellow actor/model friend would like to do our showpiece together. Is this possible?**

Yes! This is a fantastic way to showcase your work. It will significantly reduce the cost per person so that you can create a DVD of your work at a cheaper rate than most photoshoots. Please bear in mind however that you will be sharing the scene with another actor/model. A full two hour session of you alone will focus solely on showcasing your acting or modeling skills.

### **How long will it take to shoot?**

The shoot is a two hour long session. We will give you at least three weeks' notice so that you can spend this time rehearsing and perfecting your work.

### **Can we shoot for longer than 2 hours? How much will this cost?**

Yes. Shoots are done in two hour blocks. If you choose to shoot for longer than this you will be charged an additional fee of \$1400 per two hour session.

### **When will I receive the finished product?**

One week after your film shoot.

### **What is in the fine print?**

Your scene must have simple set requirements. We film in-studio and so there is no set design. You must supply any required props. The director retains the right to refuse to shoot a scene if the set has requirements outside those available in studio. This detail will be discussed at the first point of contact with our team and you will not be required to make any payment until your scene has been given the green light for production.

Acting showpiece:

You are responsible for supplying your own wardrobe.

Model showpiece:

You select which movements you would like to perform. You are responsible for supplying your own wardrobe.

**How do I arrange for Blacmac Productions to produce my Showpiece?**

Contact us at [info@blacmacproductions.com](mailto:info@blacmacproductions.com) or by phone on: 0415 843 243.
